**Subject:** RE: PMN Update

Cara, I left you a voice message on the two PMNs that are almost ready to be published for the Non Order SNURs, I need to have the information you sent addressing the water releases and batch information put into CDX, since the determination is based on the PMN and additional information that is in CDX. I have the fax you sent if you are not able to find it.

I am working from home today and will follow up calling you in a few . My cell is: Personal Phone / Ex. 6

Thanks,
